

Following queries are received against ITB No. 0153 and response is given below accordingly.

QUERIES

1. With reference requirement of Laptops with Microsoft Office 2016 Pro 64 bit OLP-NL (Academic), you are requested to please send us end user details which required for academic licenses verification. This is Microsoft requirement before giving academic licenses prices. If End user not qualified for academic prices than we have no other option to quote commercial price.
2. For academic Software I need end user customer details...
